Re: U.S. Patent 7,596,952, issued October 6, 2009  
Request for Recalculation of Patent Term Adjustment in view of *Wyeth*

Dear Commissioner:

We are filing with this letter a Request for Recalculation of Patent Term Adjustment in View of *Wyeth* on behalf of CO2 Solution Inc., assignee of U.S. Patent 7,596,952. A new power of attorney was filed on March 31, 2010 by the President and CEO of the assignee appointing a new representative. A Request for Recalculation of Patent Term Adjustment was filed with the power of attorney, signed by the new representative. Therefore, the Request we are filing is at the request of the assignee and their new representative, in the event that the March 31 power of attorney is denied and we are considered the current attorneys of record, in order to ensure that a valid Request is filed within the 180 day time limit.

If you have any questions, do not hesitate to contact us.

Best Regards,

Francis J. Maguire
